Aether

A full-page background image featuring a massive, rugged coastal cliff. The cliff face is composed of distinct horizontal layers of rock, showing signs of erosion and weathering. It rises steeply from the edge of a deep blue sea. The sky above is a clear, vibrant blue, dotted with soft, white cumulus clouds. In the lower-left foreground, a smaller, darker rock outcrop is visible, with white foam from a wave crashing against its base. The overall scene conveys a sense of natural grandeur and tranquility.

Inspired by coastal cliffs and endless skies,  
Aether brings nature's harmony beneath your feet.
